

17TH EDUCATION AND DEVELOPMENT CONFERENCE [EDC2022]
5th - 7th of March 2022 - Bangkok, Thailand
HYBRID CONFERENCE

17th Education and Development Conference [EDC2022] is a three-day program, unlike most academic conferences. It brings together scholars, graduate students and professionals as well as NGO representatives and policymakers from across the world. EDC provides a comprehensive platform for learning and networking with global stakeholders and offers exposure to different perspectives on this very important aspect of our lives and, as such, important for the society as a whole. We believe that only by understanding perspectives of various stakeholders can we transform our ideas into sustainable solutions that will work for all.

EDC2022 covers topics ranging from education technology, teaching and learning, education ethics, curriculum, language and science education as well as case studies from across the globe. The program consists of: presentations of selected papers, case studies and reports; themed panel discussions and networking activities. We offer a safe, culturally and professionally diverse environment, carefully designed to foster personal and professional growth.

Reflecting on past conferences, we are proud to learn that numerous projects have been developed and implemented as a result of knowledge, inspiration and contacts gained at EDC. It makes us even more proud to learn of many international collaborations and friendships that started at the EDC as it is at the core of who we are.
